

How to log into the college systems

This guide explains to students how to access the various computers and online systems at Redbridge College, these are: *Windows computers, Chromebooks, eBridge, Email, Google Drive, and eStream.*

1. Username, email and password

Your username is your college email address. It is your student ID followed by @redbridge.ac.uk.

You will find your student ID number printed on your ID card that you collected when enrolled.

Your **username** (and **email** address) looks like this one:
10123456@redbridge.ac.uk

Your default **password** is your date of birth in the format **DDMMYY**.

For example, if you were born on the 2nd of April 1998, your password will be 020498.

2. Windows PCs (laptops and desktops)

Press **CTRL-ALT-DELETE** on the keyboard and login onto the computer by using your **username** and **password**.

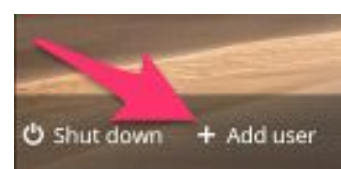

Once you login, click on **Google Chrome** and eBridge will open as the home page.

3. Chromebooks

Click **Add user** on the lower-left corner of the screen.

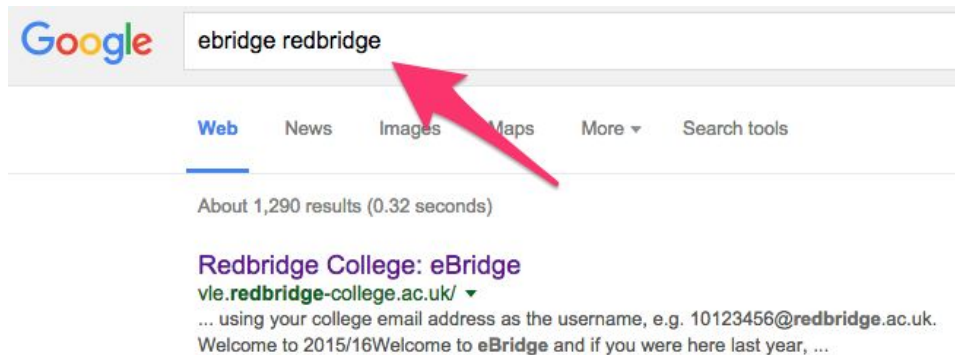

At the prompt, enter your **username** and **password**.

4. eBridge

Open Google Chrome and go to vle.redbridge-college.ac.uk, or search online for 'ebridge redbridge'.

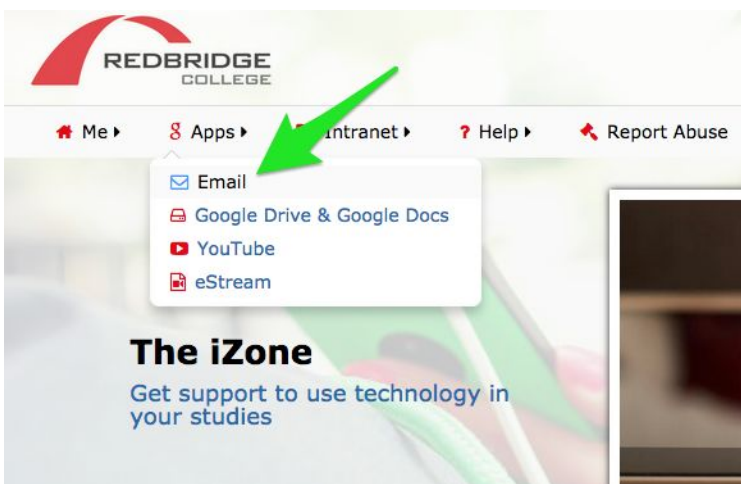

Click **Log in** on the top-right corner of the page.

Click **Sign-in with Google**, enter your username and password.

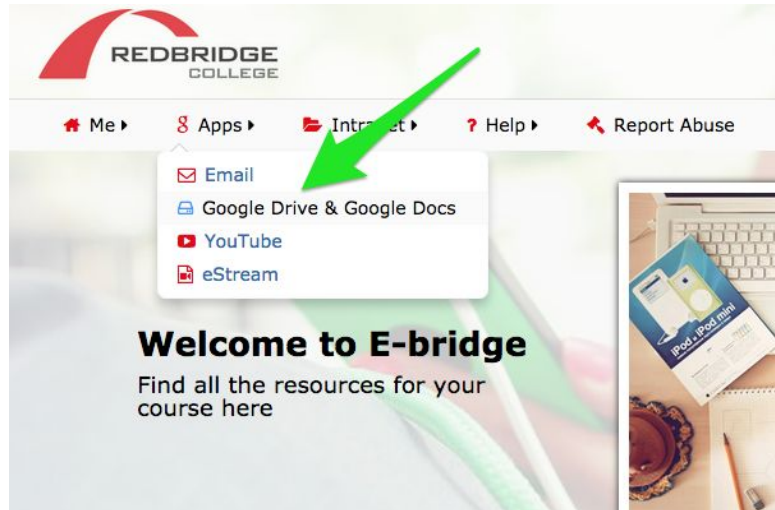

5. Email

Sign-in to eBridge and click **Email** from the **Apps** menu that is located on the top of the page.

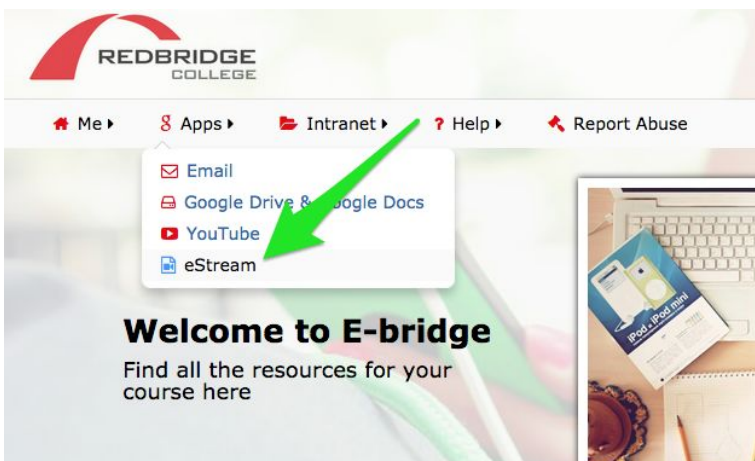

6. Google Drive

Sign-in to eBridge and click **Google Drive & Google Docs** from the **Apps** menu that is located on the top of the page.

7. eStream

Click **eStream** from the **Apps** menu that is located on the top of the page.

Enter your **username** and **password**.

A screenshot of the Planet eStream login form. The form has a dark background with white text. At the top, it says 'Planet eStream®'. Below that, there are two input fields: 'Username' with the value '10123456@redbridge.ac.uk' and 'Password' with a masked password '*****'. At the bottom, there are two buttons: 'Cancel' and 'Log In'.
